

# WONDERFUL WALKING

Gentle flower meadows, vast areas of alpine pastures and fascinating grass mountains. This combined with beautiful views of the craggy Wilder Kaiser and the mighty glacier peaks of the Hohe Tauern with Austria's highest mountain, the Grossglockner (3.798m) also in the area. Hiking in Kitzbühel is fun and brings you to the most beautiful places in Tirol. Over 1,000 km of hiking trails invite you to practice your gentle summer sports.
